

Environmentally Responsible Redevelopment and Reuse (ER3)

Sustainability Projects at Redevelopment Sites

Submission Form

Please use this form to submit your request to EPA's ER3 staff to review your proposal regarding incorporating sustainability principals in the redevelopment of a site.

An asterisk in a form field indicates a Mandatory field.

Complete the form as much as possible so that the ER3 staff are better equipped to identify incentives and other areas of assistance.

The ER3 staff will review the submitted information and then contact the submitter regarding the proposal.

This form is provided for the convenience of those who wish to propose project ideas. Use of this form is voluntary.

Contact the ER3 staff if you have any questions concerning the form.
